

The Lee Factory Crimp die can make your reloaded ammunition nearly 100% reliable. However, low base bulge rings from guns whose chambers don't fully support cases can challenge even the Factory Crimp Die.

Save your brass.

With the Lee Factory Crimp Die, the Bulge Buster will repair all these rimless cases

380 ACP	10 mm
40 S&W	41 AE
45 ACP	45 GAP
45 Win Mag	

Utilize all your brass by removing annoying bulge rings

Factory crimp die not included.

Catch Container

Push through Punch

Extension Sleeve

◀ BULGE BUSTER KIT ▶

Assure your mixed brass is bulge free with the Bulge Buster Kit and appropriate Lee Factory Crimp Die. This push through die adapter will quickly remove the annoying bulge rings that shell holder constrained dies simply can't reach. The Bulge Buster Kit includes extension sleeve, push through punch, catch container and complete instructions. And it's fast— you can reprocess your cases as quickly as you can handle them. Catalog #90487. **\$19.98**
